

# White Oak Alpacas

Presented by  
*Karin & Randy Finch*

**White Oak's Espressiva** is a striking weanling with great presence, medium brown with black points and white accents. Beautiful blend of Peruvian and Chilean genetics with color on both sides. Mom is from Canadian bloodlines and dad is from California lines so lots of opportunity for future breeding. Graduate of Camp Cria and continuing education with Camilydynamics training. Grand Sire *Accoya Peruvian Sequoia* has produced color from white to black and Mom has produced solid true black along with deep mahogany brown with black points.

Maiden  
Own \$5,000  
DOB 7/18/06  
Huacaya  
Medium Brown

(pending)

**White Oak's Cassiopeia** shines like fine mahogany and is as sweet as they come. She is ready to breed this Summer or Fall. Granddaughter of *Danko* she also has *4Peruvian Legacy* and *Peruvian Vengador* in her pedigree. With 22.9 micron on her first fleece this girl has great handle and potential to add lots of color to your herd. Breeding to Paradise Pointe's Ricochet for 2008.

Maiden  
Own \$13,000  
DOB 9/20/05  
Huacaya  
Medium Brown

**Stella** is a beautiful blend of Chilean and Peruvian lines she will be ready for breeding this summer. Her fleece has great staple length, luster and crimp. Stella will be a great foundation female, don't let her color fool you she has lots of potential to pass color to her cria. She is bred *New Forest Aires*, Dark Brown, for late April 2008 cria.

Maiden  
Own \$6,000  
DOB 6/16/05  
Huacaya  
White
