

White Oak Alpacas

Presented by
Karin & Randy Finch

White Oak's FAWNZI is a gentleman to his toes. He settled his first females 2003. The girls at the ranch are waiting in line for him. Son of 5Peruvian Dom Alamir with color on both sides of his pedigree waiting to be expressed. He has great conformation and coverage to go along with a willing attitude.

White Oak's Cinnabar is Mr. Personality is ready to start proving himself this year. Son of true black *Patagonia's Compadre*, grandson of true black *Caballero Andante* nationally known studs, he is sure to add color to your herd with 18.7 micron. Dam is out of Californian Peruvian lines that would diversify your breeding options.
